## NOTES FROM THE PRESIDENT

To All Members,

I would like to thank everyone who supported our efforts to pass our new set of by-laws. This will be the frame work of our union going forward. It gives stability, guidance and most importantly clarity, to not only members but for the leaders who will run our union. NYSUT is currently printing a new set of by-laws for every member and as soon as we receive them, we will be handing them out.

We have just completed another project that we started back in December. We have just implemented a member email list. This will provide the union with a conduit directly to the members. This is the first time this union has had an avenue to be able to impart information to its members. We will now be able to provide members with updates of important information as well as meetings, events and any other relevant information that should be relayed. If you have not received my email and wish to be put on our list, please let me know. My email address is [vnesci1227@gmail.com](mailto:vnesci1227@gmail.com). Also be advised if you should have a nhart email address and we have attachments in our correspondence, the district may restrict you from receiving it. It would be advisable to forward a private email address to me. I would like to give “kudos” to Matt Miller, who played a big part in helping accomplish this important project. Thank you Matt!

We are also working on a website for members to use. We hope that all will be able to access our minutes, treasurer reports, and review an online copy of our by-laws as well as our contract. We will also have an online copy of our newsletter and several links to our affiliates and a NYSUT benefit link. Please be patient as we develop this. We will keep you informed as we progress.

Shortly we will be putting in our order for t-shirts and sweatshirts, so if you have not filled out a member contact form please let me know and I will send one to you. You can also reach out to your rep and they can get one from me. We expect to place the order by the end of April, so please let us know what you want.

Please understand that each of these projects take time and effort. I would not be able to complete any of these without the help and support from Matt Miller, Danielle Bateson and the by-law committee. They should all be commended!

Fraternally,  
Vin Nesci - President
