## NOTES FROM THE PRESIDENT

Dear Members,

Welcome back to school! It has been a different summer for sure. I hope you all are staying healthy.

We recently received our new fire/water proof file cabinet to store our files. And thanks to Andre Paradi, the Principal at Perry, we are able to use a room to store the cabinet in. This will keep our records in a central location for all officers under lock and key. In the past, previous officers stored union files in boxes at their homes. Each time a new officer was elected there was a transfer of many boxes from one home to another. This was unacceptable and our affiliate NYSUT advised otherwise. We will be moving forward over the coming months to organize and arrange the files for easy access for current and future officers.

The summer provided many challenges for officers and as such we were not able to make much progress on our new website. In the coming months we will again move forward on developing our website so as to better serve you.

Over the summer I met with Noelle who is the manager at Cavallo's Restaurant. I made arrangements to hold our monthly meetings there and have finger foods and soda. We hope this provides a more conducive atmosphere for members to gather and engage with officers and reps. Please come to the meetings as we impart much information.

We have completed many projects and still have a few to go. We welcome anyone who wishes to join a committee. Please come to our meetings and give us your time. See your union at work!

Fraternally Yours,

Vin Nesci
