This indemnification does not pertain to inaccurate or untimely transmittals of payroll deductions by the District.
- C. Effective July 1, 1997, the option of Direct Deposit shall be made available to unit members.

ARTICLE V

- A. Full-time Employees and Regular Bus Drivers: Full-time Employees and Regular Bus Drivers shall be granted sick leave at the beginning of the school year (July 1 - June 30) as follows:
 - 10 month employees -10 days
 - 10½ month employees -10½ days
 - 11 month employees -11 days
 - 11½ month employees-11½ days
 - 12 month employees-12 days

The unused leave in any school year shall be unlimited accumulation. In the event an employee terminates their employment before the end of the school year, sick leave

accumulation will be deducted at the rate of one (1) day per month for the remaining months of that school year.

In the event an employee terminates their employment before the end of the school year (July 1 - June 30), their last check will reflect a deduction at the rate of one (1) day per month for any sick days utilized in excess of those earned according to the months worked since the beginning of that school year.

- B. **Part-time Employees:** Part-time Bus Drivers paid an hourly rate for regular daily trip assignments are entitled to sick leave not to exceed five (5) days per annum without loss of pay, and the unused leave in any year shall be unlimited accumulation. The employee's sick leave utilized following the thirty (30) day period will be reinstated at a prorated amount determined by dividing the reimbursement obtained from the carrier by the employee's salary. Such reinstatement is subject to reimbursement by Workers' Compensation.

Example:

Daily Salary = Seventy-five dollars (\$75.00)

Worker's Compensation Award = Fifty dollars (\$50.00)

Reinstated sick leave credit (rounded to the nearest quarter (1/4) day) is determined by dividing the Workers' Compensation amount by the Daily Salary. (fifty dollars (\$50.00)/seventy-five dollars (\$75.00) = .666 or three quarter (3/4) day of sick leave reinstated for each full day of absence.)

- E. Sick Leave Reimbursement: A full-time employee and Regular Bus Driver upon signing a commitment to retire, will be granted payment for each day of accumulated sick leave at fifty-seven dollars (\$57) per day, within thirty (30) days after retirement.

ARTICLE XX
SENIORITY PROCEDURES
(ASSIGNMENT AND TRANSFERS – LAYOFFS AND RECALL)

A. Seniority Definition:

1. Bus Drivers: Bus driver seniority is based on the employee's date of hire as a bus driver. (The parties understand that a full-time driver who is hired after a part time driver would be junior to the part time driver).
2. All other employees: Seniority is calculated on the number of base hours the employee has worked for the District in any bargaining unit position (overtime hours excluded). (The parties understand that a five (5) hour per week employee eventually could become junior to a subsequently hired six (6) hour per week employee).

B. Assignments and Transfers:

1. Changes in Assignment: Proposed changes in hours and work load assignments will be discussed on an individual basis and an effort will be made to reach a mutually satisfactory adjustment (substitute emergency assignments are excluded).
 - a. The District will post vacancies within thirty (30) calendar days of the date that the District becomes certain the vacancy will be filled.

- b. The NHEU President will be given names of all Unit applicants on the workday following completion of posting period. When a position in the Unit is vacant and to be filled, or a new position is created, the position is to be posted in each building for a period of five (5) working days. On the eighth (8th) working day, the recommended applicant will be notified by the Assistant Superintendent in writing.
- c. If any qualified member of the Unit applies for a posted vacancy, that person (or the most senior qualified applicant if more than one) will be so recommended by the Superintendent, unless a person with substantial qualifications applies for the position. The Superintendent's recommendation will be made at the next Board Meeting. The parties herein understand that the qualifications assessed by the District in making an appointment may extend beyond the minimum qualifications required for the job; and may include such factors as work attitude, work attendance and the ability to work and interact effectively with students and/or colleagues.

Bus aides employed by the District will be given preference over bus drivers employed by the District for bus aide vacancies posted after April 1, 2008.

- d. Intra-building transfers for custodial staff members are covered by the contract. When a vacancy occurs in a building, the shifting in that building will be handled by the building senior custodian. Building area assignments will be made on a seniority basis within the shift affected by the vacancy.

Example: An opening occurs as a Cleaner because a High School Cleaner has left. The remaining Cleaners in the High School will be entitled to change their work areas within the High School. The work area that remains unfilled will be the one assigned to the new cleaner.

Inter-building transfers for custodial staff will be handled by the Director of Facilities. Letters requesting custodial building assignments transfers will be submitted to the Director of Facilities through the personnel clerk. Requests normally will be granted unless the Director of Facilities determines that the transfer will, based upon the employee's work record, be detrimental to the District. If such a determination is made, the Director of Facilities will advise the person requesting the transfer why a transfer was not approved. If such a determination is made to deny the transfer, based upon the employee's work record, that decision shall not be arbitrable. Applicants desiring transfers will file their request with the personnel clerk. Applications will be kept on file for one (1) year.

- 2. The first (1st) day the recommended applicant works in the posted position will be no later than the sixth (6th) working day after the expiration of the five (5) day posting period, or the first day the position becomes vacant, whichever is later. The above is dependent upon Board approval of the applicant.

Example: If the position is posted on Monday, the posting expires on Friday. On the following Wednesday the person is informed of the recommendation.

The following Monday the position is filled with the new person if the position is open, otherwise it will be filled the first day it becomes open.

3. When a vacancy is posted, it will contain the normal work hours and work year. If the posted normal work hours and/or work year are expanded or reduced the position will be re-posted with the revised normal work hours and work year included in the notice.

If such re-posting results in the displacement of the person initially appointed, this person shall, if a vacancy exists, return to their position held immediately prior to the appointment to the position that is being re-posted.

If a vacancy does not exist in the employee's previous classification, the displaced employee may bump the least senior person within this previously held classification.

4. Bus Runs:

- a. If the District decides to create a new bus-run position or to fill a vacant bus-run position, it will post the vacant position in the bus garage. If a second or subsequent vacancy results from the filling of the first vacancy, the District will not post the second and subsequent vacancies until it has considered the original applicant pool.

Ex: If Driver-1, Driver-2, Driver-3, Driver-4 and Driver-5 bid on posted Position-A; and if Driver-1 gives up their current Position-B to fill Position-A, the District will not post Position-B until it has considered Driver-2, Driver-3, Driver-4 and Driver-5.

- b. In the event that the posted driving time for (1) any regular run exceeding the two (2) hour minimum or (2) any unconnected, additional run is expanded on or after October 1, such expanded runs shall be reposted.
- c. Mid-day Postings – Regularly scheduled mid-day bus aide assignments of one and one half (1.5) hours or more shall be posted in accordance with the negotiated posting procedure.
- d. Dispatcher has no right to bid on a regular bus run.

5. Employees who are on vacation in July and August must notify the personnel clerk via email or in writing no later than their last workday of their desire to be notified of posted vacancies. The District shall notify, by e-mail, each of these employees and it will be the responsibility of the employee to notify the District of their correct e-mail address.
6. Newly created positions shall not be filled during July and August unless due to unusual circumstances.

- C. Layoff and Recall (Competitive)

1. Layoffs: - When the District reduces the number of positions within a job classification, the last person to enter that job classification will be excessed.

- a. Anyone whose position is eliminated or reduced may bump any junior person within the job title.
- b. The least senior employee within a job title may bump into next lower paying title, if qualified.
- c. The least senior employee in a competitive position, if qualified, may bump into a noncompetitive position filled by a person with less seniority.

2. Recall: The most senior qualified person displaced shall be first recalled.

D. Layoffs and Recall (Non-Competitive)

1. Layoffs:

- a. Anyone whose position is eliminated or reduced may bump any junior person within the job title.
- b. The least senior employee within a job title may bump into the next lower paying title, if qualified. (For example, a DP Aide would be qualified to bump into a Teacher Aide I position filled by a person with less seniority).

2. Recall:

The most senior qualified person displaced shall be first recalled. The maximum period for recall purposes shall be fifteen (15) months from the date of layoff.

ARTICLE XXI

2. When an employee moves from a position to one in which the hourly rate is less, they will be placed on the same step of the salary schedule for the new position as they encumbered in their previous position. TOOL REIMBURSEMENTS

Automotive mechanics and building maintenance mechanics will be paid an allowance of two hundred dollars (\$200) per year for tools. If the employee leaves employment or employment date is prior to a full year of paid employment, reimbursement will be prorated.

ARTICLE XXIX

 - Certification in one (1) through four (4) areas: Two hundred dollars (\$200.00).

Stipends “2” and “3” (listed above) will be reviewed and awarded on an annual basis to each employee whose certification directly relates to their current work assignment.

ARTICLE XXX
DEVELOPMENTAL PROGRAM (“DP”) TEACHER AIDES

- A. The “DP Aide” job classification is distinguished from other Teacher Aide job classifications. DP Aides receive a one thousand dollars (\$1,000.00) stipend each year.
- B. Although bargaining unit members may apply for vacant DP Aide positions, an individual’s ability to perform Teacher Aide duties does not necessarily qualify them to perform DP Aide work. The Superintendent may delay the effective date of a teacher aide’s assignment or transfer until a date that is no later than the first day of school of the year immediately following the award. The delay cannot be grieved.
- C. If the District needs to employ DP Aides for summer work, the District will first offer DP summer work to DP Aides with the most seniority in the DP program. If an insufficient number of DP Aides volunteer for summer work, the District may assign summer work to DP Aides with the least seniority in the DP program.

ARTICLE XXXI
GRIEVANCE PROCEDURE

A. PURPOSE

WHEREAS, the establishment and maintenance of a harmonious and cooperative relationship between both parties is essential to the operation of the schools, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of employees through procedures under which aggrieved parties may present grievances free from coercion, interference, restraint, discrimination or reprisal, and by which both parties are afforded adequate opportunities to dispose of their differences without the necessity of time consuming and costly proceedings before administrative agencies and/or in the courts.

Both parties to this contract agree to first encourage internal, informal discussions to help resolve alleged grievances. If such informal contact fails to settle the alleged grievance, the NHEU agrees that it will avail itself to the Grievance Procedure before supporting or initiating any other action. Both parties agree to refrain from making public any information regarding an alleged grievance until the grievance procedure has been completed.

Within twenty (20) school days after receipt of an appeal, the Board of Education, or a committee of the Board, shall hold a hearing on the grievance. The hearing will be held in executive session, unless the Open Meetings Law requires the hearing to be held in regular session. Within ten (10) school days after the conclusion of the hearing, the Board of Education shall render a decision in writing on the grievance.

6. STAGE VI – Arbitration:

- a. If the grievance is not resolved at Stage V, the aggrieved party may within five (5) school days notify the President of the Board of Education of the intent to refer the grievance to arbitration. Upon receipt of such notice, the Board of Education may within five (5) school days veto the use of arbitration for grievance(s) not alleging a violation, misinterpretation or inequitable application of the express terms of the Agreement. If no veto is made, the Union shall within ten (10) days file a demand for arbitration with the American Arbitration Association requesting a list of seven (7) arbitrators (or the expedited procedure by mutual agreement). The parties shall be bound by the rules of the American Arbitration Association. A copy of such demand shall be forwarded to the Superintendent.
- b. Grievances pertaining to administrative judgment in the evaluation procedure shall not be subject to arbitration.
- c. The arbitrator's decision will be in writing and will set forth their findings, reasonings and conclusions on the issues submitted and shall be final and binding on both parties. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator shall have no power to alter, add to or detract from the provisions of the Agreement.
- d. The cost of the services of the arbitrator will be borne equally by the District and the Union. The party requesting a stenographic record shall pay the cost thereof.

D. GRIEVANCE POLICIES

1. Preparing and Filing a Grievance

- a. The preparation and processing of grievances shall not be conducted during the hours of employment. Job assignments shall not be interrupted.
- b. Forms for filing grievances, and other necessary documents, shall be developed cooperatively by both parties. The Chief School Administrator shall then have them printed and distributed so as to facilitate operation of the grievance procedure.
- c. All grievances filed at Stage II with the supervisor shall include the name and position of the aggrieved party, the identity of the provisions of the Agreement involved in said grievance, the time and place where the alleged events or conditions constituting the grievance existed and a general statement of the nature of the grievance and redress sought by the aggrieved party.

2. The Official Grievance Record

Documents, communications and records dealing with the processing of a grievance shall be filed by the Chief School Administrator and the Union Grievance person.

3. The Grievance Hearings

- a. The aggrieved party may choose whomever they wish to represent them providing that such representative is acceptable to the Union.
- b. Except as otherwise provided by law, an aggrieved party and any party in interest may have the right to confront and cross-examine all witnesses called against them, to testify and to call witnesses on their own behalf, subject to evidentiary rules of admissibility.
- c. Both parties shall facilitate any investigation which may be required by providing any and all material and relevant documents, communications and records concerning the alleged grievance.
- d. Except for Stage I, all decisions shall be rendered in writing at each step of the grievance procedure, setting forth findings of fact, conclusions and supporting reasons.

4. Time Limits for Grievances

- a. No written grievance shall be considered at Stage II unless forwarded within thirty (30) school days after the employee/Union knew or should have known of the act or condition on which the grievance is based.
- b. Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement.
- c. In the event a grievance is filed on or after June 1st, upon request by or on behalf of the aggrieved party, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is possible.
- d. If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance shall be deemed to be discontinued and further appeal under this Agreement shall be barred.
- e. Failure at Stages II through IV of the grievance procedure to communicate a decision to the proper parties within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.

5. Provisions of Law

- a. It is agreed by the parties that the term “grievance” shall not apply to any rule or regulation of the State Commissioner of Education having the force and effect of law or matters in which the Board of Education is without authority to act.

- b. If any provision of this grievance procedure or any application hereof to any aggrieved party(s) in the negotiating unit shall be finally determined by any court to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law. All other provisions or applications of the Agreement will continue in full force and effect.

6. Board of Education/Administration Grievance Procedure

- a. The Board of Education or its designee shall present grievances orally to the President of the Union.
- b. If the grievance is not resolved informally within five (5) working days, or such additional time as may be agreed upon, the Board of Education or its designee shall within five (5) working days thereafter submit a written grievance to the President of the Union. The parties shall confer with respect to the grievance, and the President of the Union shall deliver to the Board of Education or its designee a written statement of the Union's position on the grievance no later than fifteen (15) working days following its receipt.
- c. Within fifteen (15) days after receiving the statement from the Union, the Board of Education may refer the grievance to arbitration in accordance with the procedure in Stage V. A copy of the Board of Education's request to the American Arbitration Association shall be forwarded to the President of the Union.

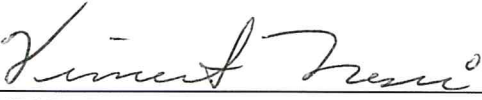

ARTICLE XXXII

This Committee shall consist of a maximum of three (3) individuals selected by the District and three (3) individuals selected by the NHEU. Meetings of the Committee shall be conducted four (4) times per year as agreed by the parties. Two (2) of these meetings shall be scheduled in October and February and shall include the current Chairperson of the Buildings, Grounds and Transportation Committee. - B. The NHEU shall be given equal representation on a District-wide or Association-specific Safety Committee, as established by the District. APPENDIX A
SICK BANK

1. A Sick Leave Bank will be established based on one (1) day deducted from the personal sick leave accumulation of all full-time employees with more than one (1) full-time year of service in the District and an equal number of days contributed by the District. At no time will the bank be increased beyond the number of full-time employees, times two. (Example: With eighty (80) full-time employees, the bank maximum would be one hundred sixty (160) days.)
2. The bank will be replenished whenever the number of days in the bank is reduced to equal the number of full-time employees in the District. The bank will be replenished by equal contributions by the full-time employees and the District. The bank will not be replenished more than once each fiscal school year. (Example: With eighty (80) full-time employees, if there are eighty (80) days remaining in the bank, the District would contribute forty (40) days and the employees would contribute eighty (80) half days.)
3. The individual's personal sick leave must have been totally depleted.
4. A medical doctor's certificate may be required at any time and the employee must continue under a medical doctor's care throughout the period of disability.
5. The medical doctor's prognosis must certify that the employee will be absent for at least fifteen (15) consecutive workdays for extended, unforeseen, long-term illness or injury during the employee's normal work year. Extended unforeseen and long-term physical disability relating to pregnancy will be considered proper qualification for use of the sick leave bank.
6. A person may not receive more than the maximum of one (1) year's regular salary, or participate in the bank for more than one (1) year.
7. In cases where the employee is collecting District insurance, Social Security, Workers' Compensation or other disability insurance, the District will pay only the difference between the insurance amount and the employee's regular rate of pay.
8. All communications involving the bank would be directed to the Assistant Superintendent of Business Affairs, and the NHEU President would be notified by June 1st of each year as to the number of days that remain in the bank. The Assistant Superintendent shall decide if the requirements of the bank have been met when application is made for use of the bank by a full-time employee.
9. Normal maternity disability and recovery will not be considered extended, unforeseen, or long-term and therefore will not qualify an employee for the use of the sick leave bank. Extended, unforeseen, and long-term physical disability caused by complications or abnormal delivery will be considered proper qualifications for use of the sick leave bank.

APPENDIX B

Regarding UNPAID LEAVES OF ABSENCE, the parties agree to the following:

1. A maximum of seventy-five (75) days per year may be used by members of the unit for unpaid leaves of absence. (September 1st - August 31st)
2. To be eligible an individual must have worked five (5) continuous years.
3. No more than a maximum of one (1) person per Department may be on an unpaid leave of absence at a given time.
4. No unpaid leave of absence may be for more than ten (10) consecutive work days.
5. No individual may be granted more than one (1) leave per fiscal year.
6. No Department (list below) shall use more than twenty-five (25) days per year.
7. When more than the maximum number of individuals wish to take an unpaid leave at the same time, the senior person(s) shall be given the leave.
8. A minimum notification of two (2) weeks must be given to the District, in writing, stating the reason why it is necessary to be absent. However, employees are encouraged to submit their notification as soon as possible. The District will, within one (1) week, respond to the employee's request.

Departments:

1. Custodial, Grounds, and Maintenance
 2. Transportation
 3. Clerical, monitors and aides
9. Procedures regarding the granting of the days and the application of seniority are as follows:
 - A. Individuals wishing to apply for an unpaid leave of absence shall submit said request to the Business Office no later than September 1st. Individuals will be notified within one (1) week (seven (7) days). A maximum of twenty-five (25) days may be granted at this time.
 - B. When more than the designated number of individuals from a Department request leave time at the same time, seniority shall be the determining factor.
 - C. Individuals wishing to apply for an unpaid leave of absence that will occur prior to the application of the deadline (see #1 above), may do so and individuals will be notified within one (1) week (seven (7) days).
 - D. Individuals wishing to apply for an unpaid leave of absence after the initial deadline (including those not granted initial application) may do so. However, said application shall not be submitted more than thirty (30) days prior to the date of the leave requested, but must be submitted at least one (1) week (seven (7) days) prior to the beginning of

the leave.

- E. Individuals will be notified of the granting of their leave no later than four (4) days prior to the beginning of the leave.
- F. An individual being granted an unpaid leave shall, for the purpose of this clause, be placed on the bottom of the seniority list for their Department after being granted the leave. Full seniority, for the purpose of this clause, shall be restored beginning with the July 1st of the third (3rd) school year after which the individual received the unpaid leave of absence.

Example: An employee has twelve (12) years seniority. During 1990-91 they are given an unpaid leave of absence in December. For the balance of the 1990- 91 school year, their seniority would be zero -- the bottom. For the 1991-92 school year, seniority would be (1), and any individual who was granted an unpaid leave of absence after their leave, and any individual who was employed after they received their unpaid leave of absence, would be below them on the list. For 1992-93, said individual's seniority would be (2), again anyone who has been granted a leave of absence after them, or employed after they were granted their leave of absence, would be below them.

- 10. If any unpaid days remain as of June 1, the unused days would be available for request by employees with less than five (5) continuous years, according to all conditions, except item No. 2 (above). Approval would require mutual consent of the parties to use this provision with final authorization form the District.
- 11. If there are problems with covering the related absences, the District retains the right to withhold approval.

3. 403(b) Accounts Employer contributions shall be deposited into the 403(b) account selected by the employee to receive Employer contributions, provided such account will accept Employer Non-elective Contributions. As to those portions declared contrary to law, the Union and Employer shall promptly meet and alter those portions in order to provide the same or similar benefit(s) which conform, as closest as possible, to the original intent of the parties.
6. In agreeing to adopt and/or modify the Plan noted in this Memorandum of Agreement, the District makes no independent representations or warranties concerning the accuracy of any interpretation of law or applicable regulations as advanced to the District or described by the Union, its agents, representatives or other parties.
7. This MOA shall further be subject to the approval of the 403(b) Provider, which shall review the MOA solely as a matter of form and as the provider of investment products designed to meet the requirements of Section 403(b) of the *Internal Revenue Code*. Upon request, ING Life Insurance and Annuity Company ("ILIAC") agrees to provide the Employer with ILIAC's standard hold harmless agreement where the Employer has selected ILIAC as the provider of 403(b) accounts for receipt of Employer Non-elective Contributions.
8. Both the Employer and Employee are responsible for providing accurate information to the 403(b) Provider. This information includes both Elective and Employer Non-Elective Contributions and the amount of the participant's Includible Compensation.

10. This memorandum shall be subject to approval by the Board of Education.

11. All disputes arising related to this Memorandum will be subject to the grievance procedure outlined in the Parties' collective bargaining agreement.
