NOTES FROM THE PRESIDENT

There are several issues to address in this newsletter. First and foremost, we again this year will be addressing the dues increase from NYSUT. The E-Board will be doing an assessment and determination and keep you informed.

At the last monthly meeting the membership passed an amendment to the By-Laws which now includes a new position to the E-Board. That of Corresponding Secretary. This position will focus on building an email contact list to send email blasts to our retirees. They will also help with other related tasks as needed. Matt Miller will help build the email list. I am taking names from people who may be interested in serving in this position. So if you are interested please contact me!

I have been working on our demand's lists. I have tweaked left over demands from our last contract. At this point there are about 20 demands. I have asked Heidi our LRS, to put together an electronic survey to be forwarded to the membership. We will get that out as soon as we finalize it. Also, in the months of April and May we will hold demands meetings during our monthly meetings. This will allow all to have time to think about demands they would like addressed. During the summer the negotiation team will go through the demands and prioritize them. I would like to be ready to open negotiations in October.

Finally, I need to take this opportunity to tell everyone what a great job that Tammy Karrat and Brian Sciortino are doing in their jobs. It is a pleasure to work with people who not only excel at their job but are passionate about it and don't mind helping in other related issues when they are asked! They have brought professionalism to their positions, and they are a pleasure to work with! Thank you Both!!!

Fraternally,
Vin Nesci
